2017 High School Summer Internship Application Overview

During this internship, interns gain transferrable work skills and healthcare career exposure through administrative experiences, including project coordination and office functions. Interns will not participate in clinical procedures.

During the summer, KP LAUNCH interns in the program will:

- Work full-time, Monday through Friday, for an eight-hour work shift during the program starting on June 12, 2017 and ending on August 4, 2017
- Learn about different career options that they can pursue in healthcare
- Work independently on various healthcare-related projects in office or clinical settings working with at least one manager in a specific department
- Participate in weekly KP LAUNCH professional development days with other interns to enhance their career development

In order to become part of the KP LAUNCH program, you must:

- Complete the paper application form and attach your resume and personal statement
- Submit a KP LAUNCH Minor Consent Form if you will be 16-17 years old before August 4, 2017
- Be selected to complete an in-person interview
- Be selected to participate in the program, and
- Complete all Kaiser Permanente pre-employment requirements

There are a limited number of internship positions available nearby each Kaiser Permanente Medical Center throughout Northern California. Not everyone who applies will be selected to interview or to participate in the program. Applicants must apply for the program based at the Kaiser Permanente Medical Center closest to the applicant's home address. Selected interns will receive an invitation to participate in the program by March 31, 2017.

Applicants who are dependents of Kaiser Permanente employees are not eligible to participate in KP LAUNCH summer internship programs.
